

Supporting families while
treating a child for cancer

WEBINAR

Larsen's Pride are excited to host Clinical Psychologist, Dr Martha Deiros Collado in our latest webinar to support HCPs who work in paediatric (neuro) oncology to support the families they work with. You may know Dr Martha from Instagram and her Sunday Times Bestselling book, *How to Be the Grown-Up: Why Good Parenting Starts with You*.

DR MARTHA COLLADO DEIROS
Clinical Psychologist

How do I manage children when they refuse medication or treatment that it is imperative they have?

How can I build trust in the children that I treat?

I tell parents that their children are resilient, but is there something we can do to build and develop the resilience they need for treatment?
